SUMMARY

I am an undergraduate student (BSc) in Computer Science and Engineering at American International University-Bangladesh. I work well in teams, have leadership qualities, and enjoy meeting new people to build connections.

EXPERIENCE

Campus Ambassador

ICT Olympiad Bangladesh

📅 10/2024 - Present 📍 Dhaka, Bangladesh

Bangladesh's premier and most impactful annual ICT Olympiad, bringing together students in a celebration of innovation and excellence.

- Promoted events, facilitated workshops, and represented the event on campus.

YouTube Content Creator

YouTube

📅 11/2023 - Present 📍 Dhaka, Bangladesh

As a Computer Science and Engineering student, I tackle academic challenges by creating educational content on YouTube, sharing solutions to help fellow students.

- Highlight your accomplishments, using numbers if possible.

EDUCATION

Bachelor of Science in Computer Science and Engineering

American International University-Bangladesh CGPA: 3.69 (Ongoing)

📅 09/2022 - Present

VOLUNTEERING

Volunteer

Engineering Student Association of Bangladesh

📅 2021 - Present

ESAB AIUB Unit Face is a non-profit organization that helps engineering students explore career options and enhance their skills and knowledge.
